

S&E Project Presentations Bingo

Acronym is given but undefined	Monmouth County Correctional Institute mentioned	Jophy says "kinda" over 10 times	Someone says "And things like that."	Someone ignores warnings about time
Dia shows the alginate patch origami	Levin yells at juniors	Connor explains why SARIMA > BLS	Someone falls asleep	Someone presents in casual clothes
5 slides of goals	Load cell explained	FREE	Miguel's presentation is under 3:30	Someone forgot to put their slides in the folder
Matplotlib mentioned	Someone creates a feedback loop on the mic	Someone asks to explain sidereal time	Parent goes up to the front to take pictures	The projector wire messes up
6 7 is mentioned	A new Kevin's Sister emerges	Someone asked Vijita about the client	Daivik shows contour lines for Bariso Barnegat Bay	At least 5 S&E; alums come back

S&E Project Presentations Bingo

Freshman gets caught on their phone	Jophy says "kinda" over 10 times	Clashing colors on the slides	Monmouth County Correctional Institute mentioned	Levin yells at juniors
6 7 is mentioned	Questioning goes on for more than 3 minutes	Someone asked Vijita about the client	Someone asks Edmund if he used a laser cutter	Someone falls asleep
Forgot to charge their Chromebook	Dev explains confluences	FREE	Rika explains how to measure Slack productivity	Daivik mentions the flight simulator
Someone's video isn't working	Daivik shows contour lines for Bariso Barnegat Bay	Someone ignores warnings about time	Timur AND Sameera answer questions	Someone asks Dev to explain a graph
Sidereal time in p5.js	Anderson yells at sophomores	Forgets to hand off the microphone	Connor explains why SARIMA > BLS	Jason says "that's a problem for future Jason"

S&E Project Presentations Bingo

Rika explains how to measure Slack productivity	Someone falls asleep	Someone asked Vijita about the client	Someone asks Edmund if he used a laser cutter	Daivik mentions the flight simulator
Freshman gets caught on their phone	Adversarial questioning	Someone says "long-term goal" after their project ends	Questioning goes on for more than 3 minutes	Someone says "And things like that."
Jophy says "kinda" over 10 times	6 7 is mentioned	FREE	Monmouth County Correctional Institute mentioned	Dev explains confluences
Connor explains why SARIMA > BLS	Parent goes up to the front to take pictures	Someone's video isn't working	Someone creates a feedback loop on the mic	Hydroponics video demo
Load cell explained	Over 40 ums, likes, or so's in one presentation	The projector wire messes up	Matplotlib mentioned	A new Kevin's Sister emerges

S&E Project Presentations Bingo

Forgot to charge their Chromebook	Someone asks Edmund if he used a laser cutter	Someone ignores warnings about time	Someone can't answer a question they should know	Miguel's presentation is under 3:30
Timur AND Sameera answer questions	Someone presents in casual clothes	Forgets to hand off the microphone	Jophy says "kinda" over 10 times	Freshman gets caught on their phone
Someone says "long-term goal" after their project ends	Questioning goes on for more than 3 minutes	FREE	Monmouth County Correctional Institute mentioned	Parent goes up to the front to take pictures
Someone forgot to put their slides in the folder	Connor explains why SARIMA > BLS	Rika explains how to measure Slack productivity	The projector wire messes up	Matplotlib mentioned
Unreadable text	Someone creates a feedback loop on the mic	Ballista misfires	Daivik mentions the flight simulator	5 slides of goals

S&E Project Presentations Bingo

Someone can't answer a question they should know	Questioning goes on for more than 3 minutes	Load cell explained	Daivik mentions the flight simulator	The projector wire messes up
6 7 is mentioned	Matplotlib mentioned	Over 40 ums, likes, or so's in one presentation	Jophy says "kinda" over 10 times	Forgot to charge their Chromebook
Levin yells at juniors	Someone asks Edmund if he used a laser cutter	FREE	Ballista works	Someone asks a question that was already answered
Forgets to hand off the microphone	Someone's video isn't working	5 slides of goals	A new Kevin's Sister emerges	Dev explains confluences
Miguel's presentation is under 3:30	Ballista misfires	Adversarial questioning	Someone forgot to put their slides in the folder	Mispronounce an easy word

S&E Project Presentations Bingo

Presenter is startled by the bell	Someone can't answer a question they should know	5 slides of goals	Someone falls asleep	Ballista works
Anderson yells at sophomores	Someone says "long-term goal" after their project ends	Rika explains how to measure Slack productivity	Adversarial questioning	Someone overstates their progress
Someone forgot to put their slides in the folder	Daivik shows contour lines for Bariso Barnegat Bay	FREE	Dev explains confluences	Jophy says "kinda" over 10 times
Matplotlib mentioned	Miguel's presentation is under 3:30	Jason says "that's a problem for future Jason"	Unreadable text	Someone ignores warnings about time
Someone's video isn't working	Load cell explained	Sharone explains a REST API	Someone asks Edmund if he used a laser cutter	Someone goes over their time by a minute

S&E Project Presentations Bingo

The projector wire messes up	Someone can't answer a question they should know	Someone creates a feedback loop on the mic	Miguel's presentation is under 3:30	Rika explains how to measure Slack productivity
Jason says "that's a problem for future Jason"	Someone's video isn't working	Someone overstates their progress	Mispronounce an easy word	Levin yells at juniors
Forgot to charge their Chromebook	Unreadable text	FREE	Chromebook for presenting dies	Jophy says "kinda" over 10 times
Someone presents in casual clothes	Forgets to hand off the microphone	Load cell explained	Vasu motions for his partners to hurry up	Dev explains confluences
A new Kevin's Sister emerges	Sidereal time in p5.js	Freshman gets caught on their phone	Ballista misfires	Presenter is startled by the bell

S&E Project Presentations Bingo

Rika explains how to measure Slack productivity	Someone asked Vijita about the client	Clashing colors on the slides	Parent goes up to the front to take pictures	Someone can't answer a question they should know
Someone goes over their time by a minute	Acronym is given but undefined	Someone says "long-term goal" after their project ends	Jason says "that's a problem for future Jason"	Anderson yells at sophomores
Ballista works	Someone presents in casual clothes	FREE	Hydroponics video demo	The projector wire messes up
Unreadable text	Someone ignores warnings about time	Daivik mentions the flight simulator	Vasu motions for his partners to hurry up	Connor asks Grace about the road
Someone asks Edmund if he used a laser cutter	Someone says "And things like that."	Timur AND Sameera answer questions	Jophy says "kinda" over 10 times	Daivik shows contour lines for Bariso Barnegat Bay

S&E Project Presentations Bingo

Vasu motions for his partners to hurry up	Matplotlib mentioned	At least 5 S&E; alums come back	Someone falls asleep	Adversarial questioning
Connor asks Grace about the road	Acronym is given but undefined	Forgets to hand off the microphone	Dev explains confluences	Someone asks Dev to explain a graph
The projector wire messes up	Levin yells at juniors	FREE	Ballista works	Chromebook for presenting dies
Someone asked Vijita about the client	Presenter is startled by the bell	Connor explains why SARIMA > BLS	Dia shows the alginate patch origami	Parent goes up to the front to take pictures

S&E Project Presentations Bingo

The projector wire messes up	Someone falls asleep	Unreadable text	Dev explains confluences	Someone creates a feedback loop on the mic
Dia shows the alginate patch origami	A new Kevin's Sister emerges	Someone can't answer a question they should know	Over 40 ums, likes, or so's in one presentation	Mispronounce an easy word
5 slides of goals	Ballista works	FREE	Connor explains why SARIMA > BLS	Forgets to hand off the microphone
Matplotlib mentioned	Someone asks Edmund if he used a laser cutter	6 7 is mentioned	Miguel's presentation is under 3:30	Forgot to charge their Chromebook
Sidereal time in p5.js	Someone's video isn't working	Someone ignores warnings about time	Timur AND Sameera answer questions	Clashing colors on the slides

S&E Project Presentations Bingo

Hydroponics video demo	Someone falls asleep	Someone asks Dev to explain a graph	5 slides of goals	Connor explains why SARIMA > BLS
At least 5 S&E; alums come back	Dev explains confluences	Someone ignores warnings about time	Clashing colors on the slides	Load cell explained
Chromebook for presenting dies	Dia shows the alginate patch origami	FREE	Connor asks Grace about the road	Someone creates a feedback loop on the mic
Someone presents in casual clothes	Rika explains how to measure Slack productivity	Someone can't answer a question they should know	Daivik shows contour lines for Bariso Barnegat Bay	The projector wire messes up
Timur AND Sameera answer questions	Forgot to charge their Chromebook	Miguel's presentation is under 3:30	Anderson yells at sophomores	Someone asks Edmund if he used a laser cutter

S&E Project Presentations Bingo

Connor asks Grace about the road	Dia shows the alginate patch origami	Presenter is startled by the bell	Forgot to charge their Chromebook	Daivik mentions the flight simulator
Load cell explained	Chromebook for presenting dies	Someone goes over their time by a minute	Daivik shows contour lines for Bariso Barnegat Bay	Sharone explains a REST API
Questioning goes on for more than 3 minutes	Someone falls asleep	FREE	Connor explains why SARIMA > BLS	Someone ignores warnings about time
Rika explains how to measure Slack productivity	Someone asks a question that was already answered	Someone presents in casual clothes	Someone forgot to put their slides in the folder	Adversarial questioning
Someone says "long-term goal" after their project ends	Levin yells at juniors	Someone asks to explain sidereal time	Vasu motions for his partners to hurry up	Ballista works

S&E Project Presentations Bingo

Someone says "long-term goal" after their project ends	Timur AND Sameera answer questions	The projector wire messes up	Levin yells at juniors	Presenter is startled by the bell
Chromebook for presenting dies	Over 40 ums, likes, or so's in one presentation	Anderson yells at sophomores	Someone ignores warnings about time	Mispronounce an easy word
Ballista works	Someone asks Edmund if he used a laser cutter	FREE	Load cell explained	Matplotlib mentioned
Someone asks Dev to explain a graph	Forgets to hand off the microphone	Clashing colors on the slides	Dia shows the alginate patch origami	Someone's video isn't working
Someone forgot to put their slides in the folder	Connor asks Grace about the road	Rika explains how to measure Slack productivity	Daivik shows contour lines for Bariso Barnegat Bay	Dev explains confluences

S&E Project Presentations Bingo

Unreadable text	At least 5 S&E; alums come back	Someone forgot to put their slides in the folder	Clashing colors on the slides	Sidereal time in p5.js
Chromebook for presenting dies	Acronym is given but undefined	Miguel's presentation is under 3:30	Questioning goes on for more than 3 minutes	Someone goes over their time by a minute
Anderson yells at sophomores	Hydroponics video demo	FREE	Someone's video isn't working	Timur AND Sameera answer questions
Parent goes up to the front to take pictures	Levin yells at juniors	6 7 is mentioned	Matplotlib mentioned	Monmouth County Correctional Institute mentioned
Vasu motions for his partners to hurry up	Presenter is startled by the bell	Forgets to hand off the microphone	Rika explains how to measure Slack productivity	Ballista misfires

S&E Project Presentations Bingo

Levin yells at juniors	Someone ignores warnings about time	Someone's video isn't working	At least 5 S&E; alums come back	Chromebook for presenting dies
